Greetings!

We survived the Great Solar Eclipse of 2017! Thank you to everyone who helped make today run as smoothly as possible. If you were able to view the event with your family, I hope it was a unique and educational experience.

A great big shout-out to our amazing HCES PTO for the Back to School Bash this past Friday. Although we had plans for a parent/ teacher vs. student kickball game, the weather had other plans. Have no fear, we will find the perfect time to have that kickball game (and maybe the weather will be a little cooler, too). We had lots of fun with music and food in the cafeteria. Thank you to all of the families who came out to support our first school-wide social event of the year.

Parents, if you have not already, please complete the Acceptable Use Procedure (AUP) form for each child and send back to school. We need this form signed in order to allow your student to use a school computer or other mobile device. If you need another copy, you can print one here from the SJCS D Code of Conduct:

Finally, starting tomorrow, August 22nd, you will need to ring the doorbell for entrance into the front office. Please make sure that you stand in front of the doorway where our office staff can easily see you to let you in. Also remember that you need to be an approved volunteer to sign in and visit in the building. Thank you for your cooperation as we do our best to provide a safe learning environment for your child.

Sincerely,

Joy Reichenberg, Principal
