Greetings Hickory Hawk Families!

We have had a great first day back at school! It was wonderful seeing everyone again at our orientations last week, and we enjoyed visiting all of the students during lunch today!

Thank you for your patience as we navigate our new arrival and dismissal procedures. Today we had approximately 160 cars to get through car line. By Thursday (first day with all of Kindergarten) we anticipate at least 200 cars. We have many new students who are learning new routines. I ask for your continued patience, as we will practice over the next couple of weeks and get our car line down to a reasonable time. This also includes patience when our staff are asking you to use the entire road for our turnaround and entrance into the gate at arrival and dismissal times. It is inconvenient, but provides the most safety for our students.

Starting tomorrow, we ask that the only parents who walk their students into the building are our Kindergarten parents

who have staggered start and their first day with all Kindergarten students on Thursday.

We have several new staff members this year, but a few of whom I want to make you aware are our new Assistant Principal, Mrs. Ashley McCormick, and our new School Counselor, Mrs. Sarah Vance. These two ladies are great resources for information and are here to help you find solutions for needs you may have. Do not hesitate to reach out to either of them or myself – we are here to help and support you!

Our teachers are working on the 3 Rs this week: Relationships, Rituals, and Routines. We are getting settled, getting to know each other, making new friends, and also beginning to learn many new and exciting things. We look forward to a wonderful year together.

Thank you for our continued partnership in your child's education.

Sincerely,

Dr. Reichenberg  
Principal
