It is so hard to believe we are at the last week of school! As we wrap up School Year 2018-2019, please make sure to follow through on a few loose ends. All cafeteria balances are due. Please return ALL books to the media center. Make sure to check out our lost and found tables that will be in the main hallway all week. **Remember that Friday is Early Release at 1:50.**

Students will be bringing home artwork, projects, and anything else accumulated throughout the school year.

We look forward to many field trips and celebrations this week. We say a fond farewell to our 5th Graders as we send them off to middle school!

It has been an honor and a privilege to work and serve with you all for another year. I wish everyone a safe, healthy and happy summer. See you in August!

Love,
Dr. Reichenberg

From the School Nurse:

As we near the end of the school year, I would like to remind you to stop by the clinic to pick up your child's medication. School policy does not allow for medication to remain in the school over the summer. It will be important for you to make arrangements to pick up your child's medication since medications may not go home with the student. Any medication left in the clinic **after Tuesday, May 28th at 11:00 AM will be discarded.**

As you know, medication orders must be completed every school year whether your child remains in the same school or goes to another St. Johns County School. If your child has a physical examination during the summer months, this is a good time to get the medication forms completed.

For your convenience, the clinic will be open beginning Wednesday, August 7th to accept your child's medication and completed medication forms.

If you have any questions, please call the school clinic at 547-7462.

Have a safe and healthy summer!

Mary Brand, RN
School Nurse, HCES

Cafeteria Balances are due!

Please check your child's account and make sure their account is clear for the year before the end of school. Thank you so much for your help in this matter ☺
