Principal's Report:

- The first draft of the School improvement plan has been submitted to the county. So far there has been no news as to any changes that need to be made. The final draft is due to FLDOE on Sept. 8th, so the expectation is that the draft submitted will be approved.
- Part of the Accreditation process requires a survey of the staff, parents and students. This survey will take the place of the Needs Assessment Survey that is due at the end of March.
- The School Improvement Plan is slated to be presented to the district September 19, 21, and 25th.
- The SAC composition Forms are due to the PAA by October 27, 2017. The make-up of the committee needs to reflect a similar economic and ethnic make-up of the school's student body.
- Much work had been put into implementing the Character Counts and Service project for this school year. Notice the bulletin Boards in the hallways. It was asked if anyone on the committee had any ideas. Many great ideas were put forward, from Teddy bears for SJC First Responders to give to children who find themselves crossing paths with the officers in times of need, to gathering items for pets in need especially in the wake of Harvey, Notes of thanks written by the students for First Responders, Collect pennies for people in need.
- Amy Hutto and Virginia Tanantino will not be able to serve on SAC this year and are being removed from the Attendance Sheet

A motion was made to adjourn, it was seconded, we are adjourned! Our next meeting will be Oct 3, 2017 @ 4pm. In the Yellow House See you all then.
