

MEET THE TEACHER

Ms. Ferro

THE BASICS

Hi hawks! My name is Ms. Jillian Ferro. Teaching has been my passion since I was a young child. I am newly engaged and became a mama to our sweet baby boy, Easton, on April 7th. I was a dog mom first to Zula, a retriever mix who will be eight this year. I enjoy traveling, the beach, and being with friends & family. I am so excited to be your 4th grade teacher this year and cannot wait to see all we accomplish together. Let our adventure begin!

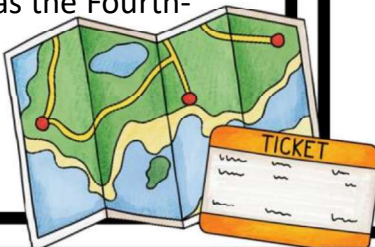

CHILDHOOD

I was born in New York, and we moved to Florida when I was four. I have two sisters, a brother, and two nephews. I grew up in Palm Harbor, Florida before moving away to college. My family has been in Ponte Vedra since.

EDUCATION

I earned a Bachelors of Science in K-6 Elementary Education from the University of Central Florida (go Knights!). I also earned a Masters Degree in Educational Leadership from the University of West Florida. This will be my ninth year in St. Johns county and my eighth year at Hickory Creek. I serve as the Fourth-Grade Team Leader, SAC chair, and New Teacher Lead. I have my Reading, ESOL, Civics, and Gifted Endorsements.

MY FAVORITES
