

Week at the Creek

Week of April 18, 2022

Hawk Families,

Thank you to all that came out to support our students during our Field Day events! Our students had so much fun throughout the relay races. Throughout the next weeks we have many volunteer opportunities. We also look forward to welcoming families to many year end events.

I would like to remind families that our [Parent Input Form](#) is a great opportunity to provide input regarding your student's placement next school year. Forms are due no later than April 29th. You can find the form on our school's website.

Registration Verification emails have been sent out. Please take some time to verify your student's information for the 2022-2023 school year.

Looking forward to another Week at the Creek!

Mrs. Yvette Cubero-Gonzalez

UPDATED COVID-19 Information

Please review the SJCSD protocols found at <https://www.stjohns.k12.fl.us/covid-19/>. In addition, please take time to review the [Student Health Screening Entry Form](#). Should your child have any of the symptoms listed, please consider keeping them home. While masks are not mandated, it is an option for our families and staff. We will respect each other's choice. If you are interested in desk shields for your child, please contact your child's teacher directly.

The Department of Health updated their emergency rule (64DER21-15) to include instruction student quarantines.

1. *Student quarantines: (3)(a) Parents or legal guardians of students who are known to have been in direct contact with an individual who received a positive diagnostic test for COVID-19 may choose one of the following options:*
 - a. *1. Allow the student to attend school, school-sponsored activities, or be on school property, without restrictions or disparate treatment, **so long as the student remains asymptomatic**; or*
 - b. *2. Quarantine the student for a period of time not to exceed five days from the date of last direct contact with an individual that is positive for COVID-19.*

To notify us of your child's positive COVID-19 test result we are requesting that you complete the [Optional Positive Student Reporting Form](#). However, should you feel you need to discuss your child's COVID-19 scenario in detail, please feel free to bypass the form and **call the District COVID Support Team at 904-547-8230.**

When we receive information regarding a positive student, we will communicate to **all** parents in the classroom that there has been a positive case in your child's class. In the past, we have only communicated to close contacts. By making this adjustment, we can notify parents faster and more efficiently.

For more information, please visit our school district's [COVID Information web page](#).

In search of a DJ for our April 29th Glow Dance.

Please contact Yvette.Cubero-Gonzalez@stjohns.k12.fl.us if you are, or know of, a DJ.
