

Week at the Creek

Week of May 30, 2022

Hawk Families,

This will be our last edition of Week at the Creek for the 2021-2022 school year!

I want to thank all our families for a wonderful school year. I will remain in touch with a monthly Week at the Creek this summer. We will email one newsletter in June and one in July.

If you have not done so, please make sure to visit Nurse Mary for medication pick up.

Our lost and found items will be out until the end of the week. After Friday, all items will be donated to Goodwill. We encourage all students to take one last visit to the lost and found to claim any lost items.

I wish all families a fun and safe summer! Our office hours throughout summer will be 8:30AM-3:00PM on Mondays through Fridays.

Looking forward to our last Week at the Creek!

Mrs. Yvette Cubero-Gonzalez

May

5/30 NO SCHOOL: Memorial Day

June

6/2 Last day of school

- August 10th First Day of School for the 2022-2023 School Year

UPDATED COVID-19 Information

Please review the SJCSD protocols found at <https://www.stjohns.k12.fl.us/covid-19/>. In addition, please take time to review the [Student Health Screening Entry Form](#). Should your child have any of the symptoms listed, please consider keeping them home. While masks are not mandated, it is an option for our families and staff. We will respect each other's choice. If you are interested in desk shields for your child, please contact your child's teacher directly.

The Department of Health updated their emergency rule (64DER21-15) to include instruction student quarantines.

1. *Student quarantines: (3)(a) Parents or legal guardians of students who are known to have been in direct contact with an individual who received a positive diagnostic test for COVID-19 may choose one of the following options:*
 - a. 1. Allow the student to attend school, school-sponsored activities, or be on school property, without restrictions or disparate treatment, **so long as the student remains asymptomatic**; or
 - b. 2. Quarantine the student for a period of time not to exceed five days from the date of last direct contact with an individual that is positive for COVID-19.

To notify us of your child's positive COVID-19 test result we are requesting that you complete the [Optional Positive Student Reporting Form](#). However, should you feel you need to discuss your child's COVID-19 scenario in detail, please feel free to bypass the form and **call the District COVID Support Team at 904-547-8230.**

When we receive information regarding a positive student, we will communicate to **all** parents in the classroom that there has been a positive case in your child's class. In the past, we have only communicated to close contacts. By making this adjustment, we can notify parents faster and more efficiently.

For more information, please visit our school district's [COVID Information web page](#).

Please note, in order to sign-in to our lobby computer as a volunteer, you **MUST** be a cleared volunteer and you **MUST** have a driver's license. Please follow the directions posted on the computer to sign in. Ruth, our receptionist, can also help.

Please visit our site regarding school access:
<https://www-hce.stjohns.k12.fl.us/>

Absences

A **written note** is needed within 48 hours of returning to school stating the cause of the absence.

Excused absences include personal illness, illness of an immediate family member, a death in the family, religious holidays of the student's established religious faith, required court or law agency appearances, public functions, state competitions, scheduled doctor or dentist appointments.

For a complete list of excused and unexcused absences, refer to the **Student Code of Conduct**.

CLINIC NEWS

HICKORY CREEK ELEMENTARY

May 19,2022

As we near the end of the school year, I would like to remind you to stop by the clinic to pick up your child's medication. School policy does not allow for medication to remain in the school over the summer. It will be important for you to make arrangements to pick up your child's medication since medications may not go home with the student. Any medication left in the clinic after Friday, June 3rd at 11:30am will be discarded according to policy.

As you know, medication orders must be completed every school year, whether your child remains in the same school or goes to another St Johns County School. If your child has a physical examination during the summer months, this is a good time to get the medication forms completed.

For your convenience, the clinic will be open beginning Monday, August 8th to accept your child's medication and completed medication forms.

If you have any questions, please contact the school clinic at 547-7462.

Have a safe and healthy summer!
