

Week at the Creek

August 10, 2026

Hawk families,
We cannot wait to officially start the 2026-2027 school year this Monday! We enjoyed seeing so many families at school for Meet the Teacher! Our teachers worked very hard to get classrooms and instructional areas ready to welcome our students. Please know that our teachers are just as eager to start this school year as your children.

Please read this newsletter and review the attachments to help us kick off our school year smoothly! We will continue to publish "Week at the Creek" weekly. Week at the Creek will be shared with our families every Friday at 6PM and will contain information pertaining to that upcoming week. We are so excited to welcome you back to our building.

Please make sure that you continue to visit our website for the most up-to-date information regarding our school: <https://www-hce.stjohns.k12.fl.us/>.

Excessive Heat Watch

Please be reassured that we monitor the weather to ensure safe conditions for outdoor activities. Excessive heat, like storms, may cause outdoor activities to be limited or suspended. In these conditions, students may have PE and recess in indoor spaces. We will continue to monitor weather conditions and adjust our outdoor plans throughout this week. Please have your student dress in light, cool clothing and bring water bottles to school.

Arrival

First Grade-Fifth Grade Students: Parents **will not** be able to walk students in the building on the first day of school. We understand that some of our students are new and do not know exactly where to go on the first day. For this reason, we have a number of staff members stationed all along the entrances and hallways to assist our students. Staff members will have class lists and room numbers to help students get where they need to go. In addition, all students will receive a backpack tag to place on their backpack at the Meet Your Teacher event. The tag will state their name, grade, and teacher's name. **This tag should remain on your child's backpack all year.** The Meet Your Teacher event is a perfect time to have students practice walking to their classroom.

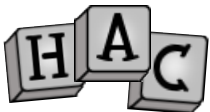

Kindergarten: Students will follow staggered start the first four days. Families will sign up for a staggered start date at the Meet Your Teacher event. Kindergarten parents can arrive at 8:45AM (after car line is over), park (we will also have the additional overflow lot open to give more space) and walk their child up to their classroom during staggered start days ONLY. You must have completed the [School Access Application](#) to come into the building. For our instructional day to begin on time, we ask that drop off be brief. *After staggered start, kindergarten students are expected to walk to their classrooms.* Please note that we will have safety patrol escorts to assist our kindergarten students get to their destination safely for the first three weeks of school. Same as above, additional staff will be available to assist our youngest Hawks.

Pre-K/HawkSTARS: Students will arrive in the regular car line anytime between 8:00AM-8:25AM. Our PreK/ESE staff will be stationed outside during the first week of school to help get PreK/HAWK Stars students out of car seats and safely into the building. After the first week, our PreK/ESE paraprofessionals and Safety Patrols will help with this process. ****PreK/HAWKStars parents – please have your BRIGHT PINK car tag visible for quicker recognition.****

Bus and Biker/Walker students: School Bus Riders and Daycare Van/Bus riders will be assisted by Ms. Rachel Kenyon (ILC) and select bus duty staff. Bikers and Walkers will be directed to enter the building through the bus loop sidewalk. Please note that our Biker/Walker gate will open at 7:55AM. Car Line students will be assisted by Ms. Alice Larson (Assistant Principal) and select car line staff.

PLEASE NOTE: DUE TO STATE SAFETY PROTOCOLS, THE BIKER/WALKER GATE WILL OPEN AT 7:55AM AND CLOSE AT 8:25AM.

Car Line protocol for arrival: **Students must exit the car on the passenger side only.** This is very important to ensure the safety of everyone. Car line student vehicles need to travel all the way down Hickory Creek Trail, go around the cul-de-sac and back up to the school entrance gate. There will be staff out to assist with this traffic pattern. Please **STAY IN THE LINE** and once your child(ren) has/have safely exited the vehicle, continue to stay in line until you are through the car loop and out the exit gate. Please do not skip in line or drive around another vehicle unless instructed to do so by a staff member. **Parents are not allowed to park and walk their student to the front door. You will be asked to get back in your vehicle and drop off your student via the car line.**

Home Access Center

The Home Access Center (HAC) is a web-based application that is part of our Student Information System called eSchoolPlus.

Please visit the website below to access or sign up for an account: <https://www.stjohns.k12.fl.us/hac/>.

This system provides parents and students with a daily summary page, schedule and attendance, discipline information, class work, test scores and course requests for all students in grades 3-5. This is also where families can access their student's interim report and report card. If you need assistance with your account, please contact our Computer Operator, [Lizeth Antonetti](#).

Dismissal

Times: K-5 Students are dismissed at 2:45PM every day except Wednesday. On Wednesdays, students are dismissed at 1:45PM.

Dismissal will be a work in progress for the first two weeks as we learn everyone's regular mode of dismissal and transportation. *We ask that your student begin the school year following their regular, daily mode of dismissal.*

Car Line: **NEW FOR THE 26-27 SCHOOL YEAR** All cars **MUST** line up OUTSIDE OF THE HCE GATE. **ONLY PK families** will be allowed to enter our car line beginning at 2:15PM, all other vehicles will remain outside of the gate, behind the cones with the STOP sign. Staff will instruct vehicles to come in after we load PK students into their vehicles at 2:30PM. Please have your car tag clearly visible (for those who did not get one at Meet Your Teacher, you should receive one from your child's teacher sometime during the first week). All vehicles (K-5), please drive all the way down to the cul-de-sac and back up into the property. Students will be released from their classroom to come to the car line holding area. We have a number of staff on duty throughout the hallways to keep them heading in the right direction. Please make sure the car tag is visible to all staff members helping load students in cars. *PLEASE BE PATIENT* as this process will take a bit of time initially as we learn a new routine. PLEASE DO NOT SKIP IN LINE OR DRIVE AROUND a stopped car, unless directed to do so by one of our car line staff members. *Please do not park in the Swiss Point Parking Lot to pick up students.* This lot is not our property, and we need permission to use it. Please note parking in this location is considered trespassing.

Bus: Bus students will be dismissed by grade level to load the buses. Kindergarten is always dismissed first in order to seat the kindergarten students at the front of the bus. Bus drivers will have seating charts. It is very important that students follow the directions given to them by the bus driver. To stay up to date on transportation changes and/or delays, please sign up for [BusPlanner](#).

Biker and Walkers: Students will be dismissed by grade levels and walked out by staff members at about 2:40PM. It is important that bikers follow Bicycle Safety. Please take a moment and review some safety tips with your child. All bikers, including e-Bikes and e-Scooter riders, **MUST** wear helmets to and from campus. Please take time to view these videos with your student: [Pedestrian Safety](#) and [Bicycle Safety](#).

PLEASE NOTE: DUE TO STATE SAFETY PROTOCOLS, THE BIKER/WALKER GATE WILL OPEN AT 2:35pm (M, T, TH, F)/1:35pm (W).

Extended Day: Staff will follow the procedures shared with families. At 3:00PM, students will meet their team lead at the specified location after school. Students will have a snack and then will work on their home learning (about 20-30 minutes). Students will also attend recess, weather permitting.

Please note: **Once dismissed, a student cannot come back on campus to retrieve personnel items.** Please talk to your child about retrieving all their belongings **BEFORE** leaving their classroom. Anything left behind will be there the next morning.

RAINY DAY DISMISSAL: Administration monitors weather every afternoon. A ParentSquare message **AND** text message will be sent if we need to follow rainy day dismissal. If there is lightning in the area, we will hold all bikers/walkers until the lightning clears. We ask that bikers/walkers always have a Plan B for rainy days.
